Hi Al,
We sent an "Interim Reclamation Plan" out to you a couple weeks ago for the GR200 Plus site near Green River, Utah. The letter requested a response by June 19. Have you received that and have you decided what you plan to do?
Thanks,

Received phone call from Al Cooper saying he found the letter in the mail room and would review and respond shortly. He is also sending \$300 for two year's ANNUAL permit fee.
